It is with great pride that we, the members of the 1962 Senior Class of Big Island High School dedicate this edition of The Islander to

MRS. WOODROW W. NEAL

who has given so much of herself in the interest of the students at Big Island. We take this opportunity to thank Mrs. Neal, a person of high principles and understanding, whose unselfish interest and quiet example has had such telling effect upon many of us.

Our Teachers

Mrs. Nancy Mayhew, a graduate of Madison with a B.S. in Education, replaced Mrs. Ruby Miller as teacher of the 5th & 6th combination grade at the beginning of the 2nd semester.

We would like to express our appreciation to Mrs. Lena Spence and Mrs. Pete Taylor for the many times they have substituted for our teachers this year.

We, the students, thank you and we are sure our teachers do also.

Our Lasting Memories of Big Island High

We, The Senior Class of Nineteen-Hundred Sixty-Two,
Now stand on the brink
 of fifteen individual and promising futures.
Before us lie many distant paths
Which will take each of us to his own destiny.

The time is near, when we must
take our first steps toward the future.
 But before that, there is time to pause
 and remember
 a few of the memories of the past

We will never forget --

. . . that exciting day when we ordered our class rings . . .
. . . the night we set forth for the Junior-Senior Banquet . . .
. . . the days it snowed and the holidays from school we had . . .
. . . the many days we struggled for ads for the yearbook . . .
. . . the rush we had to get the Telleorium out on time . . .
. . . In Government class, Mr. Adkins's persistent "Shhhhhhh!" . . .
. . . Mrs. Neal's commands, "Close your books, get out pencils and paper . . .
. . . the rush, primp and smile of picture taking . . .
. . . and most of all those exams . . .
. . . Stuart's friendly arguments with Mrs. Neal . . .
. . . the excitement of winning the first game of basketball season . . .
. . . running to the library at the last minute for book reports and term papers . . .
. . . Mr. Wooldridge reminding us to make more money . . .
. . . our friendly good-mornings and good-byes . . .
. . . and when 3:00 rolled around, how good it felt . . .
. . . the wonder of our last Thanksgiving, Christmas, and Easter before graduation . . .
. . . the importance of our senior year in school . . .
. . . Sandra and Bernice busy working on the yearbook . . .
. . . the special qualities of each of our fellow seniors . . .
. . . our many teachers who have taught us . . .
. . . and finally GRADUATION NIGHT . . .

But there is only space for a moments pause,
 even as we stand here,
 now the excitement of the future beckons . . .

We, the Senior Class
are . . . "like a man who upon leaving a town for the last time does not say 'The town is near', but
 turns his eyes toward the distant soaring ranges . . . " - Thomas Wolfe in LOOK HOMEWARD ANGEL

I, Judy Arrington, would like to express my best wishes to each member of the Senior Class. I sincerely hope you all will have a very happy and successful future. Your classmate, Judy (?)

To our Parents we will never be able to make you realize how much you really mean to us. It was you who made it possible for us to be where we are now. With your love and encouragement you set wonderful examples for us to follow. You were the ones who set us upon the right pathway of life with a tender loving heart and a stern and strong belief in the right. We can only say that we will always love and respect you.

Members of
The Senior Class

The Senior Class would like to express their appreciation to our teachers for their patient guidance, which has helped us to reach this far in our careers. Maybe we were not always as capable as we could have been but you guided us to the right pathway. We have now reached the first important step of our life and it was you who made it possible. And we can only "thank you" for your help.

PAMELA BRIGITTE PUTNEY

"Pam"

This blue-eyed, blonde darling is the 3 year old daughter of Mr. and Mrs. Paul P. Putney. She was born on January 30, 1959 at the Virginia Baptist Hospital. Her favorite saying is "Oh Me Mercy" and she loves to take her pepsi to bed with her at night. She likes to wear pajamas, eat french-fried potatoes, and play with her dolls. Her one and only dislike is milk.

Our Mascots

KENNETH GENE MITCHELL, II

Meet The Seniors

JUDY ARRINGTON--A local Debbie Reynolds, quietly managing to do what she likes and working hard to get her diploma.

FRANK BECHMANN--"Bechman" walking proudly and dreamily in a world of his own, knowing the future will bring to him the realization of his dream.

ROGER BOOTH--"Still waters run deep". Saying little, thinking much, "Boota" will be a successful man in his quiet way.

BARBARA COLEMAN (Underwood) -- Likes to help people and children and is sure to be happy and successful if she can develop this wonderful gift.

JANE DAWSON--Quietly efficient, will make good in business or in a home, as she is neat and particular in every thing she does.

JIMMY GOFF--The play boy of the Senior class, will settle down some day and do a good job at whatever he selects as his future career.

BERNICE GOFF (Floyd) -- Quietly efficient, friendly and loyal, an asset to any group with which she affiliates. She too will be successful in the world of secretaries and business women, and also in the home where she will be a good wife and mother.

PEARL GOFF--Hard-working, charming, friendly, sings beautifully, would make a good secretary or teacher, since she understands people very well.

STUART KNIGHT--"Knight" is headed for success either in the armed forces or as an engineer, for he has the strength and drive for such a career.

BARBARA MARKHAM--Can sing, ride horseback like a cowboy, act, and is so athletic that she would be a great success on the stage, moreover she is a first-rate housekeeper, so should make some man a very good help-mate.

RONNIE MARTIN--"Martin" has "eased his way along for 4 years so that he is now graduating, much to his own and his friends' surprise. "Martin" still likes to play a lot and tease his classmates; however he's a good bus driver and is getting more serious as graduation day approaches.

WRAY MASSIE--"Massie" has bounced and joked and smiled his way into the hearts of his classmates and teachers thru 4 years of High School. Always good natured and willing to help, even going out of his way to do extra work for the school, he should be a success in whatever he undertakes, as he is a willing worker.

By: Mrs. Margaret Parks

Meet The Seniors

ALAN SPENCE--Called "Baldy" altho he really isn't bald is good natured and friendly and gets along so well with his friends and is so quiet that the faculty sometimes forgets he's around, a wonderful, much to be sought after condition, in the eyes of those students who always seem to be in the teachers' sights. Alan is going to be a good dependable worker, once he graduates and settles down to a career he likes.

STEVE WILSON--"Professor", has had his eye on the future for four years and has worked as a real student to reach his desired goal, grades good enough to help obtain a scholarship to a good college while he decides whether teaching or medicine will be his career. Steve has remarkable restraint and is reasonable and friendly with all.

SANDRA WOOD is the "Queen Bee" of the Senior Class, always busy working on her studies and "the Annual". She will make a top flight secretary for some lucky executive, as she does not shirk responsibility and has strong moral character as well as a pleasant, friendly and becomingly reserved personality.
